

## Eurovent VENTOS METAL W35

Ventilation chimney, used on plates with a high pressing profile - standard profiles up to 35 mm. Available with insulation on demand.

### Advantages:

- quick and easy montage
- UV resistant
- large diameter

### Technical data:

Parameter	Value
Material	Dyed polypropylene with added UV stabilizer + seal butyl
Roof angle for best application	10° - 45°
Base dimentions	24,0 x 32,2 cm
Suitable tile embossing	Up to 35 mm
Available colors	Brown RAL 8017, black RAL 9005, graphite RAL 7024, chestnut RAL 3009, green RAL 6020, wallred RAL 8004, brown RAL 8019, anthracite RAL 7016, light grey RAL 7036

Parameter	Value
Available diameters	Ø 110 mm / Ø 150 mm
Available types of chimneys	Non-insulated / insulated (insulated with rubber foam)
UV Resistance	Resistant
Set	Chimney base + chimney + screws
Seal	Butyl sealing
Package weight	Aprox. 2 kg
Packaging	1 set
Pallet	36 chimneys

### Application:

Ventilation chimney's main use is to ventilate, insulate and to release steam properly. It is used to ventilate humid air from the roof slope, ensuring proper air circulation and good roof ventilation. Recommended especially with metal roofing and bitumen shingles on roof slopes ranging from 10 to 45 degrees. It can be used to ventilate attics, lofts, kitchens, bathrooms and sewage risers.

### Storage / transport:

The chimneys should be stored in closed, original boxes. Please protect from damage during storing. The product should be stored in a dry place, under cover, free from moisture and UV radiation in original undamaged and closed package. The product should be transported in covered means of transport. They should be prepared for transport in a manner that protects them from damage and destruction. During transport safety regulations must be observed. The product should be protected from chemical agents, in particular solvent-based substances, as they can reduce technical parameters of foil or permanently damage it.

### Additional information :

For fast and easy montage please use the attached in the box screws.

The product is under warranty, providing that the guidelines contained in technical data sheet are being obeyed. We reserve the right to refuse a complaint recognition in case of not following these guidelines.
